1.1 Climatic differences

Warm places (mediterranean countries)

- Dry
- Extremely high temperature
- Mostly outdoor sports

Cold places (northern countries)

- rainy
- Extremely low temperature
- Mostly indoor sports

1.2 Sports in the future

Because of an overaging problem:

In warm countries

- Outdoor sports (golf, boule, walking)
- Next to the walking paths grows Aloe vera

In cold countries

- Rather indoor sports (table tennis, water gymnastics, nordic walking)
- Next to the walking paths grows Plantago major

1.3 Complement to sports of the future

- Anti-gravity boots
 - Improved / new sports
- Jetpacks
- Flying cars

Culture in the modern city

2.1 The Museum in the Modern City

A) A Museum for all generations.

- - hearphones for all visitors with fitting programs for every generation.

- -wheelchair for old and disabled people.

- C) A multi-theme museum
- with history...

- with art...

- with science...

- 2.2 The shows in the modern city
- A) a place outside the town for festival

A festival
outside
Barcelona
in Spain.

B) A place outside for good weather and a place inside for bad weather...

A festival inside in Germany, a country with bad weather. (This is what a French Boy said ...) ;)

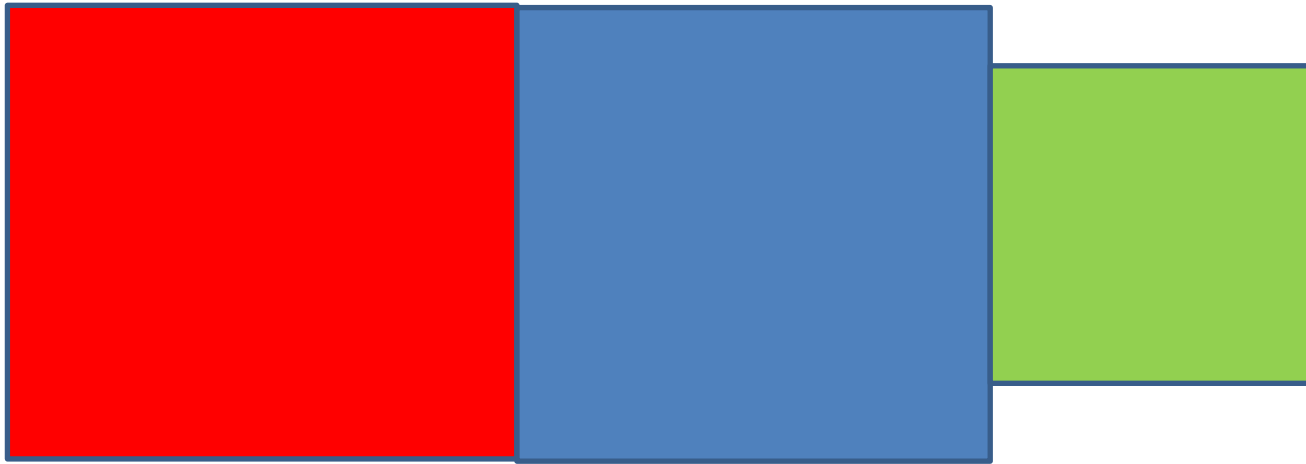

An open place for cinema in la Villette in France.

- C) Street Shows / Art in the street

2.3 Other ideas for the future

A) A model of a modern culture center

A place with art made by professionals (music, dance, theater, comedy, art, ...)

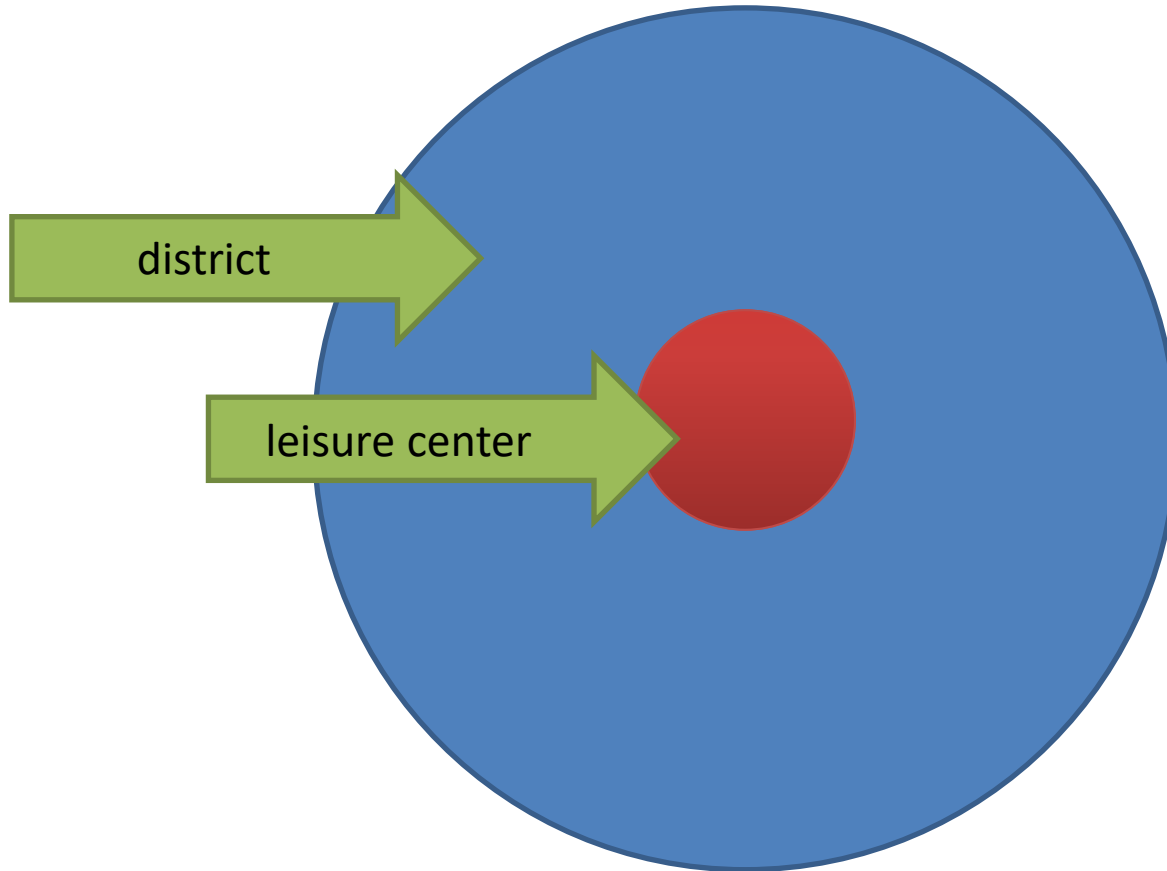

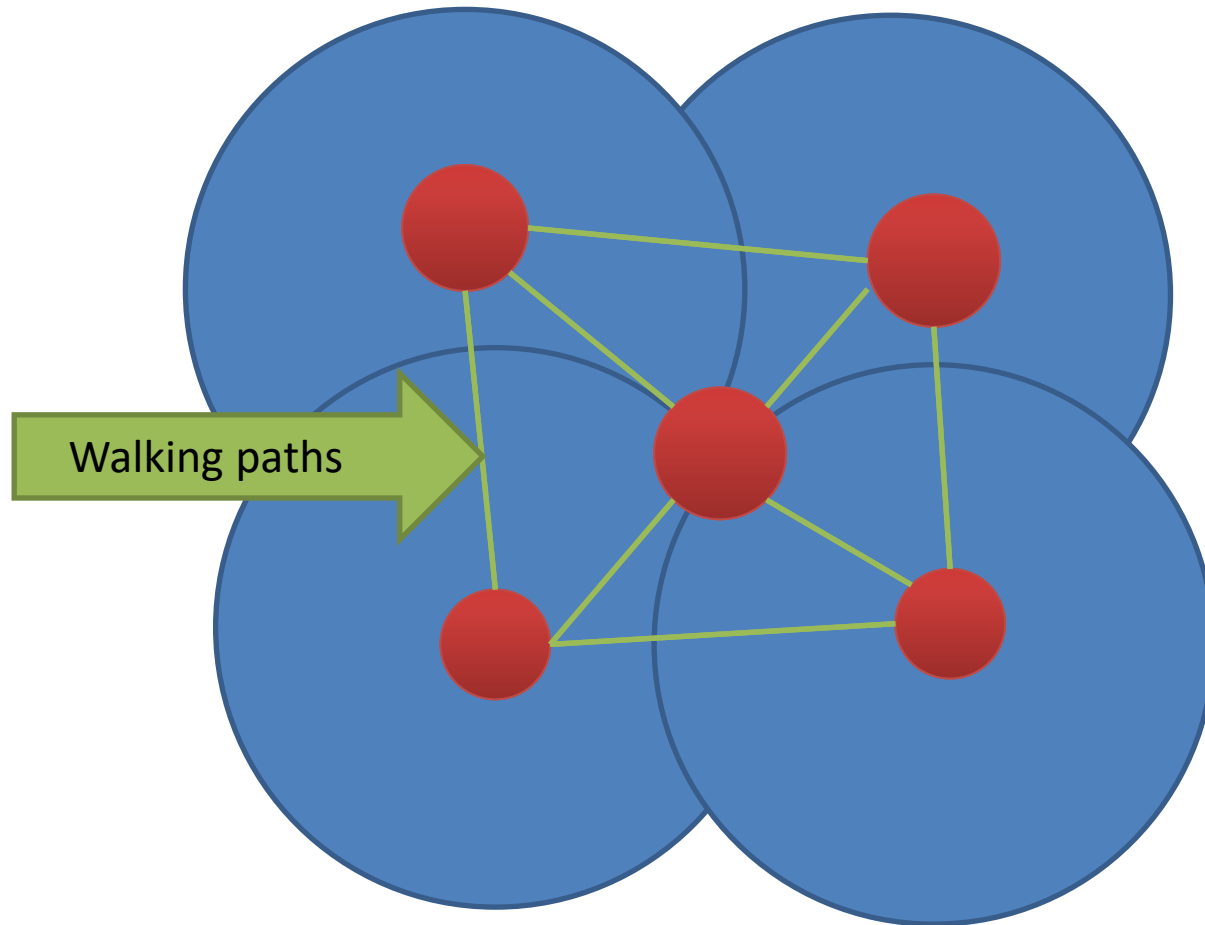

A place with art made by everyone (for example by students...)

A place where people of all generations can learn different kinds of art

Place for the leisure

Conclusion

- New leisure will be in the future for every generation
- Connects the generations
- Easier access
- In every district should be a leisure center
